Shooting Star

This stars are within reach to all holders who come here. \$STAR is a new token that is undergoing stealth launch, there are no whales manipulating the price. We offer the opportunity for each member of the community to support and assist and truly build our star filled galaxy from the ground up. The creators of Shooting Star are much like you. We're sharing our light with you.

Shooting Star

Roadmap

The crypto journey through the night is a long and dark one, these stars shine bright to light the way

Q1 - 2022

- The Shooting Star is created, and we have lift off
- It was quickly followed by the official website
- We build our community and strengthen it with contests
- Future listings with Coingecko and Coin Market Cap
- coming soon

Q2 - 2022

- Continue to run community-based contests for holders and expand our listings into
- WhiteBit, Delta, and Blockfolio for more to find our light

Q3 - 2022

- We will implement NFTs adding new and unique works of art to our token

Q4 -2022

- Launch Shooting Star branded merchandise to further build upon the reputation of the coin
